## **International Students (F-1) Transferring from Another U.S. Institutions in the United States to Texas State University-San Marcos**

International students that wish to transfer to Texas State University – San Marcos need to meet the academic as well as the immigration requirements for this transfer. **Students who have been admitted into an academic program and provided the financial documentation required for their admissions** should follow the steps below to process their SEVIS or immigration transfer. This is a separate procedure not to be confused with the academic transfer done through the Office of Undergraduate Admission. Simply transferring academically doesn't complete your SEVIS transfer.

1. Notify your international/immigration student advisor at your current school of your intent to transfer and verify their transfer out procedures with them.
2. Request your current school to fill out and fax the Transfer Verification Form to 512.245.8264. Students are held responsible to make sure that their previous/current institution fills out the Transfer Status Verification Form and submits it to the International Office at Texas State.
3. Upon your notification, a DSO at your current school will update your record in SEVIS as a "transfer out" and indicate a **release date**. Once this release date is reached, the International Office at Texas State will have access to your SEVIS record to process your transfer I-20.
4. After the release date of your SEVIS record contact the Texas State International Office to confirm that all documents needed for your SEVIS transfer have been received as well as your SEVIS record.
5. Call the Texas State International Office at 512.245.7966 to schedule a check-in. You must bring all of your immigration documents to this meeting. Your transfer I-20 will be given to you at this time. For more detailed information on our Check-ins and New International Student Orientation visit our website at: [www.international.txstate.edu](http://www.international.txstate.edu).

### **IMPORTANT CONSIDERATIONS:**

- Transfer students must start attending classes within 5 months of the last day he/she attended classes (or ended OPT), or the next available session, whichever comes sooner.
- If a student completes a course of study (or OPT), the student is eligible to transfer through the end of the 60-day grace period.
- If you are planning on traveling abroad you must re-enter the country with the I-20 from the school that holds your SEVIS record at the time. If your release date occurs when you are abroad, contact Texas State's International Office to have the transfer I-20 form mailed.
- A student's authorization for OPT or CPT ends on the transfer release date or the end of the work authorization whichever one is earlier.
