# TRANSFER ADMISSION STANDARDS

ADMISSIONS.TXST.EDU/TRANSFER

If you have completed transferable credit hours after high school graduation, you are considered a transfer student. You must submit official transcripts from every college and/or university you have attended before the priority date of the semester to which you are applying. Test credits (AP, IB, CLEP) are not considered for transfer admission purposes. You must be eligible to return to all previous institutions regardless of GPA or degrees received (e.g., free of suspensions, dismissal, or enforced withdrawal).

To receive assured admission as a transfer student, you must meet the following minimum requirements at the time of application.

TRANSFERABLE CREDIT HOURS	ADMISSION REQUIREMENTS
15 or fewer hours	2.0 cumulative GPA Meet freshman admission standards
16-29 hours	2.5 cumulative GPA
30+ hours	2.25 cumulative GPA

## Review

If you do not meet assured admission requirements but have a minimum cumulative GPA of 2.0, your application will be reviewed through our holistic review process.

## Core Curriculum

admissions.txst.edu/core

The General Education Core Curriculum is the common foundation for all undergraduate majors. You will receive core credit for any core course successfully completed at another institution. Some direct equivalents from junior colleges and universities may differ from Texas Common Course Numbers (TCCN). With planning, you may take courses that satisfy both the core curriculum and your degree requirements.

CORE	COMPONENT AREA	HOURS REQUIRED
010	Communication	6
020	Mathematics	3
030	Life and Physical Sciences	6
040	Language, Philosophy & Culture	3
050	Creative Arts	3
060	American History	6
070	Government/Political Science	6
080	Social and Behavioral Sciences	3
090	Component Area Option	6

## Program-Specific Requirements

Some majors and colleges, like the McCoy College of Business, have entry requirements that must be completed in addition to receiving general admission to the university. For more information, visit [admissions.txst.edu/programrequirements](https://admissions.txst.edu/programrequirements).

## How to Apply

1. Complete your transfer application (see [admissions.txst.edu/apply](https://admissions.txst.edu/apply) for details).
2. Submit the application fee of \$75 (nonrefundable). **Fee waivers are available to students who qualify.**
3. Submit official college/university transcripts from all schools attended.
4. Send your high school transcript or GED certificate.

After an initial review, some applicants may be asked to submit additional information.

### Texas State's Annual Security Reports and Fire Safety Report

We value the safety of all members of the Texas State University community at our main campus in San Marcos, TX and separate campuses in Maxwell, TX (ALERRT Campus) and Round Rock, TX. Texas State publishes a combined Annual Security and Fire Safety Report that contains information regarding campus safety and security including topics such as: campus law enforcement authority; crime reporting policies; campus alerts (Timely Warnings and Emergency Notifications); fire safety policies and procedures; programs to prevent dating violence, domestic violence, sexual assault and stalking; the procedures the University will follow when one of these crimes is reported; and other matters of importance related to security on campus. The report also contains information about crime statistics for the three most recent calendar years concerning reported crimes that occurred on campus; in on-campus student housing facilities; in noncampus buildings or property owned or controlled by the University or a recognized student organization; and on public property within, or immediately adjacent to and accessible from, the campus. The report also provides fire statistics for any fires occurring in an on-campus student housing facility during the three most recent calendar years. The Fire Safety Report section and on-campus student housing statistics do not apply to Round Rock or the ALERRT Center, as those campuses do not currently have any student housing facilities. A paper copy of the report is available at Institutional Compliance and Ethics located at Elliott Hall A (201 Talbot Street, San Marcos, TX 78666), by calling (512) 245-4961, or by emailing [cleryreport@txstate.edu](mailto:cleryreport@txstate.edu). Additionally, a PDF of the report can be accessed electronically at [clery.txst.edu/report](https://clery.txst.edu/report).
